

February 1984

Waltham Amateur Radio Association
P. O. Box 411
Waltham, Massachusetts

To Whom It May Concern:

On behalf of the entire B. A. A. Boston Marathon Race Committee, I wish to thank your organization for the use of your amateur radio repeater during the running of our 87th marathon.

The unique ability to cover the entire course with clear reliable communications has assisted us in exchanging information and putting on a better and safer race.

You offer a great public service and we thank you.

Cordially,

DICK PARET
